שלום לכם,

ביום א', 22 במרס 2015, בשעות 15:45-14:15, תתארח בחוג למוסיקה ד"ר יהודית (ר' http://www.yorku.ca/judithc/MainEng.htm). היא תרצה (באנגלית) על ההקלטות שערך אלן לומאקס בספרד.

Alan Lomax's Spain recordings of 1952

As the consultant/editor of the Spain recordings Alan Lomax made in 1952, I've done a lot of fieldwork in Spanish villages following his footsteps and interviewing people he recorded over half a century ago and/or their descendents. It's provided a very interesting picture - together with his own field journal, which I'm editing - of life in Spain at the height of the Franco regime.

ההרצאה תיערך בחדר 322.

נשמח לראותכם בקהל
